# WELCOME TO THE BEST PRIVATE UNIVERSITY IN TANZANIA

Kampala International University in Tanzania, (KIUT) began its life in **2008**, as a Dar es Salaam Constituent College (KIU-DCC) of Kampala International University in Uganda. The original goal of the College was to run academic and professional courses through the open and distance learning mode of course delivery.

**On 15<sup>th</sup> January 2011**, the Tanzania Commission for Universities (TCU) issued the College its interim recognition and Certificate of Provisional Registration (CPR).

**On 27<sup>th</sup> September 2012**, KIUT was awarded TCU Certificate of Full Registration (CFR).

**On 17<sup>th</sup> July 2017**, TCU approved the Institution's new status of a fully-fledged university under the new name "The Kampala International University in Tanzania (KIUT)".

**On 02<sup>nd</sup> August 2022**, after years of successful and satisfactory provision of quality education, TCU issued KIUT with a **Certificate of Accreditation**.

## OUR VISION:

To become a premier institution of international repute that prepares students for the world and an inclusive society.

## OUR MISSION:

To respond to societal and educational needs by designing and delivering education guided principles and values of respect for **society**, to develop a supportive research environment in which scholars at every stage of their career can flourish.

**Your Success Awaits!**

One of our many campus locations. This is an area around the administration and business blocks where students can study and enjoy fresh reading with nature.

Our buses used to carry students to hospitals for rotations and other activities such as sports and social engagements that foster community relations between the university and surrounding community.

These consecutive pictures are from our multiple laboratories used to teach students pursuing health-related courses. Students enjoy quality education, which enhances their understanding and enthusiasm as they progress in their professional fields.

We nurture talents and other abilities through our array of students' activities:

## SPORTS, GAMES, MUSIC, DANCE, & DRAMA

Explore our vibrant campus life, where we offer a diverse array of extracurricular activities aimed at broadening students' horizons. Through our participation in national and international tournaments, students gain invaluable exposure and experience. These activities also serve as platforms for students to harness their innate talents. Additionally, our scholarship scheme ensures that talented individuals have access to quality education, fostering a nurturing environment for academic and personal growth.

We regularly convene students from various faculties to offer guidance on campus life and prospects after graduation. This guidance is provided collectively by staff members from academic and administrative units.

Students, academic and administrative staff, management, distinguished guests, and the general public gather together to celebrate graduation. During the ceremony, participants receive certificates and various gifts. It's worth noting that our graduation ceremony is held annually at Nyerere Square in December.

In the bid to support and enable Tanzanians to greater levels of education, particularly the less financially privileged, **KIUT** has established a bursary scheme called Kampala International University Bursary Scheme.
